Davis, CA 95618-1555

Dennis -

I enjoyed meeting & talking with you Christmas Eve at Allison & Nylene's. Per our chat, I've enclosed copies of my dad's News-Hedger columns from the early 1970's through the mid-1980's, mostly dealing with old Buyle, Broderick & West Sac. Hopefully they will be of interest to you & the West Sac museum.
